

### Book #3 Voice Over Script – Titan of Terror

Hope – I can't look. Tell me when it's over.

Ryan – Ahh come on Hope. It's only Night Crawlers, don't be scared.

Hope – I can't help it. I'm terrified of all things creepy crawly.

Chad – You know Hope, you really shouldn't be afraid of anything. You don't have to be you know.

Carley – Fear doesn't come from God, and you know what that means.

Ryan – It comes from the enemy Hope, and it's a device he uses to prevent people from doing what God wants and to keep them from believing what He says.

Hope – This seems silly. Are you guys for real? You mean to tell me that something as small as a fear of spiders can make any kind of difference in my life? Com on guys lots of people are scared of spiders.

Chad – Maybe so. It may seem silly to you, but God never said that fear of a small thing was okay. He actually says in His word over three hundred times. "Fear Not", fear shows a lack of trust in Him. It's all about where you want to be with God, Hope.

Hope – Well, I never really thought of it that way. I guess maybe it does matter. Thanks guys for explaining it that way.

Chad – That's what we're here for. To keep each other on the right track.

G.O.D. Commander – Mission Control, this is G.O.D Command Central. Do you read me?

Chad – Loud and clear.

G.O.D Commander – We have a situation that warrants your help, there is a...

Ada – What happened?

Chad – I don't know. Buddy check it out.

Buddy – Simple fix. The spirit transponder was unplugged from the JC adapter. We should be good to go now. G.O.D Commander are you there?

G.O.D Commander – Yes I'm still here. Now this is very important. We don't have much time. Please made sure you always maintain the proper connection so you can hear from me. As I was saying before, we have a situation. A little boy needs your help. Stand by for further direction.

Buddy – Hi Noah, we are the Spirit Heroes, and we are here to help you. I'm Buddy and this is Chad, Ada, Ryan, Carley, and our newest member Hope.

Noah – What are you all doing here?

Carley – We were sent here to help you. Why are you hiding in the corner.

Noah – I'm scared.

Hope – Scared of what?

Noah – I stayed the night at my friends's house last night, and we watch this movie, one my mom told me I shouldn't, and now I'm scared. I know I should have listened. It's just sometimes it seems like she doesn't let me do anything. I have friends that get to do whatever they want.

Buddy – Well, Noah it seems doing whatever you want may not be such a good thing after all. Don't you think you would be a lot better off right now if you had listened to your mom in the first place?

Noah – Yeah.

Chad – You mom cares about everything in your life Noah, because she loves you so much. She also loves God, and she wants to make sure you do too.

Noah – God? Oh yeah, she talks about Him all the time. I'm still on the fence about it. I mean, I believe in Jesus and everything, but it seems you can't ever have any fun once you buy into all that.

Ryan – Well now that's just crazy talk. Once you accept Jesus and do what God wants, that's when the excitement really begins.

Noah – Do you all think that?

Multiple voices – Absolutely!

Chad – Maybe it's time you finally make the decision to follow Christ, Noah.

Noah – I think maybe you're right.

Carley – Okay, just say this prayer. Dear Lord Jesus, I believe in you. I believe that you died, rose again, and are alive today. I ask you to forgive me of my sins. I now accept you as my Lord and savior. Baptize me, Lord with your Holy Spirit. I will allow you to empower and equip me to fulfill my purpose on earth. Help me, Lord to live my life for You. In Jesus' name Amen. Noah now that you have Jesus, you don't ever have to be afraid again. He said He would never leave you. He is always with you.

Hope – Fear doesn't come from God. Fear is a spirit, and you have every right to tell it to go using His name.

Noah – Um guys, who is that over there?

Chad – That's the Titan of Terror. We'll take care of him, don't you worry.

Chad – Spirit Warrior

Buddy – Comrade Captain

Carley – Freedom Raider

Ryan – Power Force

Ada – Princes P.

Hope – Glory Girl

Chad – You'd be better off to leave now Titan. You will never win against us.

Titan – You slimy little Spirt Heroes, give me a break! Besides I have been working on my karate. I'm here to take back what was mine. Noah, I had him so scared, and you all came in and ruined everything.

Ryan – Noah now knows that he doesn't have to be afraid.

Titan – Look at him cowered in the corner. Of course, he's afraid. The easiest way to get to kids is to scare them.

Buddy – Well he knows Jesus. God helps him now. Isaiah 41:13 says "For I hold you by your right hand I, the Lord your God. And I say to you Don't be afraid. I am here to help you.

Titan – Stop saying that. I'm warning you.

Ada – Warning us? I'm warning you. The word of God will annihilate you, you measly little fearball. We have courage because God is with us. Deuteronomy 32:6 says "Be strong and courageous. Do not fear or be in dread of them. For it is the Lord your God who goes with you. He will no leave you or forsake you.

Titan – He isn't really with you.

G.O.D. Commander – I am

Carley – It says in 2 Timothy 1:7 "For God gave us a spirit not of fear, but of power and love and self-control."

Titan – Please, don't believe them. They don't know what they are talking about.

Chad – Noah tell him to leave in Jesus' name.

Noah – Go in the name of Jesus. Well that was weird.

Ryan – That is what tries to scare you. He seemed to big to handle at first, didn't he? But he wasn't. He's nothing' but a wimp when confronted with God's word.

Hope – That's right. Everything must submit to God and His word, even the bad guys.

Noah – I am so glad you all came by and helped me. I feel great. I feel joy and peace like never before.

Ada – Joy and peace are a part of who you are now. They are fruits of the Holy Spirit, who resides within you.

Chad – Remember Noah, you never have to give in to anything that contradict the word of God. You have authority in Jesus Christ.

Ada – Watch out for the spider web.

Carley – She must not have seen it.

Hope – No I saw it Carley. I just know now that I don't have to be afraid anymore.
