

LEVEL/BOOK 3 SCRIPTS

Scene #1 – School Hallway

ADA – I wonder what we're supposed to be doing here.

CARLEY – Not Sure. I forgot to charge the mobile spirit radios last night, so the connection is kind of... in and out.

NARRATOR - Find History Class.

PROFESSOR LOUCHE – (he sounds tired, like he hasn't slept in a while, and speaks in a bit of a monotone. He's under mind control. Should seem a little dazed.) My name is Professor Louche. Today we will be watching a video. Now many of you may not agree with this, but scientifically speaking, it is correct in this classroom.

DEAN OF DECEIT – (evil chuckle, echoing in the distance)

HOPE – What's going on here? And who is that weirdo that is following that professor around?

CHAD – That's the Dean of Deceit. You know when he's around, there's trouble brewing.

PROFESSOR LOUCHE – Today we are going to learn about how the world began. Charles Darwin and his theory of evolution...

(sound of footsteps running and a door slamming)

BUDDY - What? Where did that boy go?

ADA - I don't know, but he looked upset. Let's follow him.

ELIJAH – (startled) O-oh! I'm Elijah, and I'm sorry I rushed out so fast. I just *had* to get out of there.

RYAN – No problem. Is there something we can help you with?

ELIJAH – No I'm okay. It just bothers me when I see things that are so against God and everything I have ever been taught. And everyone just sits there like it's okay! It's not. It's not okay at all.

CHAD – I know what you mean. Nobody cares about God at all anymore.

G.O.D. Commander – Mission Control do you read me?

ALL – Loud and Clear!

G.O.D. Commander – I have been trying to reach you via your mobile spirit radios and have been unsuccessful.

CARLEY – Um, yeah... I kind of forgot to charge them last night...

G.O.D. Commander – You can't be careless or let anything like that happen again. In order to hear from me, you need to stay connected. If you would have been able to hear me, you would have known exactly what to do at that school.

HOPE – Well, I think we took care of it. We talked with Elijah.

G.O.D. Commander – You are to battle the Force. Your assignment wasn't Elijah. Your assignment was the Dean.

BUDDY – Ooh..yeah, that does make more sense.

G.O.D. Commander – Be ready for direction, you will have another chance.

HOPE – I can't believe we blew it. I feel so bad. Do you think Commander is mad at us?

CARLEY – It's all right. And no, He's not. He isn't like that.

NARRATOR – Find the Green House.

BUDDY – Elijah, what are you doing here?

ELIJAH – What am I doing here? What are *you* doing here?!?

CARLEY – We'll find that out together. Is this your house?

ELIJAH – No, I'm staying with my friends. They wanted me to play this video game. I really didn't feel right about it, but I played awhile anyway. Then I just had to get away, so I came out here.

RYAN – That feeling is from the Holy Spirit in you, Elijah. Always listen to that.

ELIJAH – My friends are Christians too, and they don't have a problem with it. I just don't understand.

CHAD – Not everyone cares enough to try to live by God's Word. And many aren't close enough to God to ever hear Him.

(The Dean of Deceit appears. He sounds a little hissy and manipulative, like a snake whispering in your ear. Confident and full of himself though)

DEAN – So... we meet again.

ADA – We sure do. And we have been waiting for this.

DEAN – Oh, sheesh, you Spirit Heroes act so... tough. But I am about to prove that you're not. (dropping the cool act, now he's just taunting them) Nanny, nanny, boo, boo! (blows a raspberry)

CHAD – Your days of deception are coming to an end! God is raising up a generation of unexpected warriors. Kids just like us who are filled and directed by the Holy Spirit and are wise to you and your crazy antics. They won't fall prey to your schemes anymore.

DEAN – Puh-lease, I am the king of making evil appear innocent.

BUDDY – Mark 4:22 says "For everything that is hidden will eventually be brought into the open, and every secret will be brought to light." You will be exposed.

DEAN – (sound like he's been hit) Ouch! (deep breath as he tries to recover) Kids and their parents are too trusting. They have no idea of the evil that lurks in the shadows. I can tuck it neatly into video games, trading cards, TV shows, and movies. And they have no idea.

ADA – John 16:13 says, "When the Spirit of truth comes, he will guide you into all truth.

DEAN – Yeah, but no one can even hear him talking.

HOPE – A blinding has ensued, one brought on by your camp, the Dark Force, but that's about to come to an end. According to Acts 2:17, "In the last days God says, "I will pour out my Spirit upon all people."

CARLEY – You know that's right. You have intentionally blinded them to the truth.

BUDDY – But you will receive power when the Holy Spirit comes upon you. And you will be my witnesses, telling people about me everywhere, says Acts 1:8, and that's exactly what we intend to do. Get out of here in the name of Jesus!

ELIJAH – He's gone.

CHAD – For now. He'll come back. They always try to. The key is to know how to handle them and to stay away from anything that isn't pleasing to God.

ELIJAH – Who was that guy?

ADA – That was the Dean of Deceit. He's a member of the D-Force. His assignment is to deceive, to make bad appear good, to get into your thoughts, and destroy God's plan, purpose, and promises for your life.

ELIJAH – D-Force? You mean there are more of them? That's scary.

HOPE – Yes there are Elijah, but there's no need to be afraid. Fear is just another member of the Dark Force.

CARLEY – We need a break. Why don't you come with us to grab some ice cream just up the street. We can talk more then.

NARRATOR – Find Ice Cream.

RYAN – Every evil work must bow to the name of Jesus Christ. It's because of that name that we have total authority over the enemy. Luke 10:19 says, Behold I have given you authority to tread on serpents and scorpions, and over all the power of the enemy, and nothing shall hurt you.

ELIJAH – Wow. I accepted Jesus a few years ago and have never heard of all this. I have to know more. (excited, he has an idea) Guys! You should really start telling people about this!

CARLEY – Um, yeah.. we'll have to look into that.

EVERYONE - laughs
